## SPECIMENS REQUIRING FROZEN SECTION DIAGNOSIS

**\*NOTE: Absence of any required information on specimen label and requisition may delay the processing of the specimen.**

- A. Tissue submitted for frozen section must be FRESH. It is not possible to perform frozen sections on bone, calcified tissue, fat or fixed tissue.
- B. Please coordinate this process through St. Luke's histology dept. at 208-381-2370.
- C. Action Courier will be called to transport the specimen from the physician office to St. Luke's Lab. Action Courier needs to be notified a minimum of **60 minutes** prior to pickup of the specimen.
- D. Submit with the appropriate paperwork. (Instructions can be found in Histology specimen information for routine biopsies)
